Colleen McMahon

Judge McMahon,

This matter is on for sentencing on July 26th, 2023. I am still suffering from a medical issue which has prevented me from properly preparing for sentencing. I have an additional medical appointments this month and on August 16th, 2023. I request that the sentencing be adjourned to the beginning of September 2023.

Defendant is incarcerated and will be sentenced to prison. I contacted the prosecutor A.U.S.A. Colson and she does not object to my request. I have advised my client through his family and there are no objections.

I apologize for the timing of this request, I had hoped to be able to proceed but cannot.

Regards,

Jon M. Silveri, Esquire
Jon M. Silveri, Esq.
